I also understand that:

- This training does not qualify as continuing education or provide certification for any other kind of licensed profession other than spiritual ministry.
- Classes are held either online or in a building that is not ADA compliant. If a signer is not able to ascend stairs, the signer has to agree to be able to attend the class online and must provide for themselves the necessary equipment to do so.

- The teachers will not hold back a class should an attendee experience technical difficulty. For first time attendee SIC offer a free tutorial, contact Carmen for that.
- It is the student's responsibility to create a home sanctuary with no distraction. Attending classes in a car, coffee shop or other public place is not suitable for online classes.
- Should the attendee/student's lack of good equipment or grounded sanctuary create disturbance for the other students, the attendee/student will see his/her mike privilege taken away, or if on Skype will get dropped out of the class.
